

Downlight Type BD-40

Relative Luminous Intensity (%)

Viewing angle $\pm 23^\circ$

Universal AC input (90 – 264) VAC

Built-in active PFC function

Efficiency PF 87%

Working temperature (-20 to +50) °C

Output flux 4680 Lm

Color Cool White CCT Range Min. 5,000 K

Input power consumptions 50W
